## STORY OF MY PLACE

## MY JOURNEY

Hi.. my name is I Putu Laksana my nick name is Nick because my parent easy to calling me. Nick in lembongan mean small boy , i'm original from Nusa Lembongan small island in east of Bali. I started working as barista in Kuta. While i was working there i really learned a lot, especially how to make good coffee from an Italian Barista. Since this time, I have fallen in love with coffee. This is where my jouney begin. With my expertise, I dared to return to my hometown in Nusa Lembongan to start my own business and was determined to improve my family's economic. In beginning i opened a small coffee shop but not running well until one day i met a chef and taught me to cook. I am very interested and started learning to cook. Grilled pork ribs are my mainstay menu and so I named this place " WBM Coffee Shop & Grill Ribs"

## STORY OF NICK'S PLACE

I officially opened my place on the 27th of April 2015. The name is "WBM Coffee Shop & Grill Ribs". WBM stand for "Warung Batu Mesedoh" or " Warung Lean Stone" Because in the area where the restaurant is, there are two sacred stone in a leaning position.

As time passed, I received some suggestions from my customers. The felt that the name "WBM" didn't fit my place. So now i change my place to new name " Nick's Place Lembongan " from my nick name.
